STEP 1 OF 9

Visit **kwickprep.com** & click **Sign Up**

Head to **kwickprep.com** and click **Sign Up**. You are taken straight to your registration page to create a student account.

The screenshot shows the homepage of kwickprep.com. At the top, a dark blue header contains the kwickprep logo, navigation links (Home, About, Courses, Resources, Results, Testimonials, Blog, Contact, International), and buttons for Login, Sign Up, and Book Demo. Below the header, a large white area features the headline "Score better in every computer subject." and a sub-headline: "Live, small-batch & 1-to-1 coaching in Computer Science (CS), Informatics Practices (IP), Information Technology (IT) & Artificial Intelligence (AI), plus Python, Java & C++. Taught by Kajal Ma'am, 20+ years, a wall of toppers." To the right of this text is a large white box with a dark blue corner containing the text "100 MUKUL · CS 2026". Below the headline are two buttons: "Explore Courses" and "Book a Free Demo". Further down, there is a section for "Taught by Kajal Ma'am" with a profile picture, a list of roles (FOUNDER · MENTOR · MCA · SINCE 2006), and a 5-star rating. A "4.9★ PARENT RATING" badge is also visible. At the bottom, a privacy notice states: "We value your privacy. We use analytics cookies, Google Analytics and Microsoft Clarity (anonymised session replay & heatmaps), to see how the site is used and improve it. You can turn this off anytime under Cookie preferences. Read our Privacy Policy." with a "Got it" button. The bottom of the page features a navigation bar with links to "11 · Informatics Practices", "ICSE Class 1", "GSEB Class 12 · Computer Studies", and a user profile icon.

Under 18? A guardian gives consent

For students under 18, a parent or guardian gives consent. Verify the guardian with a one-time code — **by WhatsApp or by email**, whichever the parent prefers — then accept the consent.

STEP 6 OF 9

See the courses made for you

Once you sign in, you will see the courses matched to your board, class and subjects. To explore other courses, simply change the **filters** at the top.

The screenshot displays the Kwickprep student dashboard. On the left is a sidebar menu with options: Dashboard, Notes, Attendance Report, Tags, Fees, Media Library, Tasks, and Select Plan (highlighted). The main area is titled 'Select Plan' and features a grid of course cards. At the top of the main area are filters for 'select board', 'select standards', 'select subjects', and a search bar. The course cards include:

- Kwickprep CBSE CS12 40+ Sessions – Group Classes**: ₹ 20000
- Kwickprep CS12 CBSE**: ₹ 20000
- Kwickprep CS12 Premier League**: ₹ 20000
